DETAILED ACTION

Amendment

1. Receipt is acknowledged of the Amendment filed June 30, 2006.

Remarks

2. Claims 1-13, 38, 40-58, and 60-64 are currently pending. The previous Office action indicated that claims the above claims were in condition for allowance and had rejected claims 14-37. The current amendment has cancelled claims 14-37.

Allowable Subject Matter

3. Claims 1-13, 38, 40-58, and 60-64 are allowable over prior art.

The following is an examiner's for allowance: Prior art teaches a method for automating a transaction request including selecting a keycard from among multiple keycards, the prior art of record, taken alone, or in combination with any other prior art however, fails to teach or fairly suggest the specific features of claims 1-13, 38, 40-58, and 60-64 of the present claimed invention. Prior art fails to teach the merchant retaining the keycard after the delivering or inputting step. Moreover, one of ordinary skill in the art would not have been motivated to come to the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
